

COOKIE POLICY

Version dated August 30, 2026

1. General Provisions

1.1. This Cookie Policy (hereinafter referred to as the “Cookie Policy”) establishes the procedure for the use of cookies and similar technologies on the website at <https://i-bg-federation.com/> (hereinafter referred to as the “Website”).

1.2. The Website is owned by the International Association “International Backgammon Federation” (hereinafter referred to as the “Operator”).

1.3. This Cookie Policy forms part of the Operator’s system of documents governing Personal Data Processing and shall apply in conjunction with the Personal Data Processing Policy published on the Website.

1.4. For matters relating to the use of cookies and Personal Data Processing, users may contact the Operator by e-mail at: info@i-bg-federation.com.

2. What Are Cookies

2.1. Cookies are small pieces of data stored on a user’s device when the user visits the Website and may be used to ensure the operation of the Website, retain user settings, and obtain information regarding Website use.

2.2. In addition to cookies, the Website may use other similar technologies for storing and retrieving information, including technologies used by web analytics services.

2.3. Information obtained through cookies and similar technologies may include, in particular, the IP address, information about the browser, operating system and device, information regarding the user’s activities on the Website, the date and time of the visit, and other technical information.

3. Categories of Cookies Used

3.1. The Website uses the following categories of cookies:

Strictly necessary cookies – used to ensure the operation and security of the Website and to retain user settings. Such cookies are necessary for the proper operation of the relevant Website functions.

Analytical cookies – used to obtain statistical information regarding Website traffic and use, analyze users’ interaction with the Website, and improve its operation.

3.2. The Operator uses the Yandex Metrika service for web analytics.

3.3. The Yandex Metrika service may use cookies and other technologies to obtain information regarding Website traffic, the characteristics of the devices and software used, and users’ activities on the Website pages.

3.4. The Yandex Metrika service shall be loaded and initialized, and the analytical cookies associated with it shall be used, only after the user has provided the relevant consent through the mechanism provided on the Website.

3.5. The Yandex Metrika service shall not be loaded or initialized before the user provides consent.

4. Purposes of Using Cookies

4.1. The Operator uses cookies and similar technologies for the following purposes:

- ensuring the proper and secure operation of the Website;
- retaining user settings;
- obtaining statistical information regarding Website traffic and use;
- analyzing Website use and users’ interaction with its pages;
- improving the operation of the Website.

4.2. Analytical cookies shall be used only where the user has provided consent to their use.

5. Consent to the Use of Analytical Cookies

5.1. When first visiting the Website, the user is provided with an opportunity to consent to the use of analytical cookies or refuse their use through the mechanism provided on the Website.

5.2. Where the user provides consent to the use of analytical cookies, the Website stores the user's relevant choice in the browser used by the user. The choice shall be retained until the user deletes cookies and/or other Website data through the browser settings. Once consent has been provided, the Yandex Metrica service shall be loaded and initialized.

5.3. Where the user refuses the use of analytical cookies, the Yandex Metrica service shall not be loaded or initialized.

5.4. Refusal to use analytical cookies shall not prevent the use of the Website. Certain strictly necessary cookies may nevertheless be used to ensure the operation and security of the Website and to retain user settings.

6. Cookie Retention Periods

6.1. The retention period for cookies depends on their purpose and the settings of the Website or the relevant service.

6.2. Strictly necessary cookies shall be retained for the period necessary to perform the relevant function, taking into account their purpose and technical settings.

6.3. The retention periods for analytical cookies used by the Yandex Metrica service shall be determined in accordance with the settings and terms of operation of that service.

6.4. Current information regarding cookies and other technologies used by the Yandex Metrica service, their purposes and retention periods is available in the Yandex Metrica service documentation.

6.5. Information regarding the user's choice concerning the use of analytical cookies shall be retained in the browser used by the user until the user deletes cookies and/or other Website data. When visiting the Website using another browser or device, the user shall again be provided with an opportunity to consent to the use of analytical cookies or refuse their use.

7. Managing Cookies

7.1. When first visiting the Website, the user may consent to the use of analytical cookies or refuse their use through the mechanism provided on the Website.

7.2. The user may at any time delete previously stored cookies and other Website data through the settings of the browser used by the user. After the stored data have been deleted, when the user next visits the Website, the user shall again be provided with an opportunity to consent to the use of analytical cookies or refuse their use.

7.3. The user may also restrict or prohibit the storage of cookies through the settings of the browser used by the user. The procedure for managing cookies depends on the browser used by the user and is determined by its developer.

7.4. Restricting or deleting strictly necessary cookies and other Website data through browser settings may affect the proper operation of certain Website functions.

8. Processing of Information Obtained Through Cookies

8.1. Information that may constitute Personal Data shall be processed by the Operator in accordance with the Personal Data Processing Policy and the legislation of the Russian Federation.

8.2. Technical information regarding Website visitors may be processed by automated means for the purposes of analyzing Website traffic and use through the Yandex Metrica service.

8.3. The Yandex Metrica service shall be used taking into account the terms and settings of the relevant service.

9. Amendments to the Cookie Policy

9.1. The Operator may amend this Cookie Policy in connection with changes in the legislation of the Russian Federation, the functionality of the Website, the cookies and technologies used, the services used by the Operator, as well as in other cases where amendments are necessary.

9.2. A new version of the Cookie Policy shall enter into force upon its publication on the Website unless another effective date is specified in such new version.

9.3. The current version of the Cookie Policy is permanently available on the Website at: <https://i-bg-federation.com/>
